## Hold Meeting On Lake Roads

At a meeting of property owners from the Lake Margerthe area held in the Grayling Township Hall on Monday evening, July 22, there were over 30 property owners present along with some 20 interested persons.

The owners by a large majority rejected the proposal of a 20 foot blacktop. They requested a road not over 16 ft. After some discussion I was requested to take the following proposals to the Crawford County Road Commission.

An 18 ft. black top on the following streets:  
Cotton Ave. from M-93 to the lake.  
Oak St. from M-93 to the lake.  
Insley Ave. from M-93 to the lake.  
Lanterra Rd. from M-93 to S. Portage.  
Alley from Summit to Oak.  
N. Portage Ave. from Oak to Poplar including the lake landing.  
S. Portage Ave. from Poplar to Welsh's.

Poplar Ave. from N. Portage to the Janiery Rd.  
Poplar Ave. from Oak to N. Portage the request was for a 12 to 14 foot alley with gravel.

This section of street acts more as a service entrance and the feeling was that the money should not be spent for a full width street.

## Hoosiers' Pack For Trip Home

### Indiana's 38th Division In Final Training Phase Here

More than 1,000 troops of the 38th Infantry Division, Indiana National Guard, and 1,000 Army Reservists training with them at Camp Grayling, prepared today to fold up their tents and head for home.

Indiana Gov. Matthew E. Welsh, who was here Saturday for the annual division review, called the two-week training camp the most successful of the four he has inspected.

The governor predicted that the Indiana Guard would rank as the top division in the 13-state Fifth U. S. Army area.

U. S. Sen. Birch E. Day Jr., of Indiana, here Friday and Saturday to view training and attend the review, also had high praise for the caliber of the training and the response of the troops.

A highlight of the encampment was the scheduled launching Wednesday of a nuclear-capable Honest John rocket. Fifty newsmen from communities throughout Indiana were here to witness the blast-off, which artillery, armor, and infantry combined in a live firing demonstration.

Units from the southern part of Indiana will be the first to board their trucks and jeeps and get their convoys under way.

Evansville and Jasper units will leave at 3 p.m. Friday. New Albany units will leave at 8:30 a.m. Saturday.

For the rest of the units Saturday will be departure day, with most of the vehicles piling out that morning.

Most of the units will set up overnight bivouac sites in Southern Michigan en route home. There will be a dozen different bivouac sites. Sunday morning will be the time when most of the troops will be back in their home towns.

Since Monday morning, the units have been in the field, operating under simulated combat conditions.

They have been attacked by planes dropping mock bombs. And they have met "aggressor" forces prowling through the woods.

While in the field, the men have slept in two-man pup tents at night. Field mess arched have been established. Wherever they go on duty missions, the men carry rifles and field equipment with them.

This, the second week of training, began with the amphibious section, at Sgt. Gilbert G. Christenson, Company C, 2nd Battalion, 293rd Infantry, as the outstanding enlisted man during the camp. He was selected by Fifth U. S. Army Advisors to the division.

Sgt. Christenson was honored by the Grayling Chamber of Commerce Monday afternoon. His company received a bow and arrow trophy presented by the Bear Archery Co. of Grayling.

Members of the Grayling Country Club also presented another trophy over the weekend. It was presented to Chaplain Rendleman of Headquarters, 2nd Brigade, 293rd Infantry, for his victory in the second annual 38th Infantry Division Golf Tournament, held on the Grayling Country Club course. The chaplain carded a low gross score of 72.

This summer's encampment was the first active duty training for the Indiana "Cyclone" Division since it was reorganized last March under the Army's new ROAD (Reorganization of Active Duty) organization. Objective of the Army Division concept.

The Hoosier division was the first National Guard division to be reorganized under the new program.

This also was the first summer training for the division since Brig. Gen. Howard S. Wilcox assumed command of the 38th. He was named commanding general in February.

Many civilian and military dignitaries have visited here to view the training. At the Saturday review, in addition to the governor and Sen. Bayh, there were mayors and other officials from cities throughout Indiana.

Military officials who have been here include Gen. Earl G. Wheeler, Army Chief of Staff, and Lt. Gen. Charles G. Dodge, commanding general of the Fifth U. S. Army.

Following the Saturday review, Maj. Gen. John S. Anderson, Indiana state adjutant general, and Gen. Wilcox announced jointly that tentative plans call for the 38th's three armor battalions to train again next year at Camp Grayling, but that the division's other units will train next summer at Camp McCoy, Wis.

The dates the armor units will be here next summer were tentatively announced as June 21 to July 5.

Gov. Welsh said the planned switch of training sites for the major part of the division was proposed primarily because of a desire to provide training in different types of terrain.

Advance units of the Ohio "Buckeye" 37th Division will move into Camp Grayling later this week with the main body of the division expected to roll in on Saturday with a few from extreme southern Ohio slated to arrive on Sunday. The "Buckeye" Division will immediately get started on their two weeks field training.

Golf Club Aux.

Wednesday last week was "fun day" for the twenty-one players out for golf. The course was pre-marked with instructions as to which club must be used for each hole. Priscilla Pettengill won low gross, low net and three blind holes. Dolores Burns won high gross.

The luncheon committee was Jeanne Thompson, Doris Souders and Marge Walker.

## "Grayling" Sub To Cost About Sixty Million

Inquiries made to the Navy Department for the Crawford County Avalanche by Congressman Elford A. Cederberg of Michigan's Tenth District which includes Crawford County revealed that the new nuclear powered attack submarine to be christened the "Grayling" will cost approximately sixty million dollars.

The craft will be constructed at the Naval Shipyard at Portsmouth, New Hampshire and the keel will be laid later this year. It will be launched late in 1965 and will be commissioned for duty in 1966.

The "Grayling" will be 290 feet long and will have a surface displacement of 2,700 tons. It will be manned by a crew of over 100 officers and seamen.

The Navy promised Representative Cederberg to obtain a photo of an attack submarine of the same construction as the new "Grayling". This photo will be published as soon as it is received.

## Chamber of Commerce Minutes

Regular meeting of the Crawford County Chamber of Commerce held July 12, 1963.

Members Present: Richard DuBois, Frank Bond, Bob Jensen, Sal Truettner, Carol West.

Members Absent: Leon Rock, Herb Wolf, Jack Alst, Bill Tufts.

Meeting was opened by Vice President Don Jansen at 5:05 P.M. questions should be taken and Motion by Truettner and seconded by DuBois that the minutes be read of the last meeting be approved. Motion by Jansen and seconded by Bond that the meeting be adjourned at 6:05 P.M. All Ayes.

DuBois on the condition of our bank balance.

A discussion was held on the following items:

1. The manager reported that a sales agreement had not been signed with any firm for the printing of the map. One firm has not given a final quotation. Also, it was reported that several of the advertising subscribers had not yet submitted their check. Neither the Road Commission nor the Board of Supervisors has been so inclined to determine their needs of a new map.

2. This Board agreed that the Enlisted Man's Luncheon should be a part of the Chamber's public relations with each of the three Guards for this encampment.

3. A discussion was held concerning the three board members to be elected this coming September. Two of the three outgoing Board members agreed to again run for the office. Richard DuBois, our treasurer, declined with thanks.

4. The regular annual meeting to be held in September was brought to the attention of the board to determine if this should be a dinner meeting. There was no action.

5. The Fred Farrar news story in the Travel Section of the Chicago Tribune concerning canoeing on the AuSable River was read before the Board.

6. The Board was informed of the Canoe Race Committee meeting held in the Consumer's Power Company office in Jackson.

7. The Sports Car Race financial sheet showing the cost was given to the Board.

8. It was decided by the Board that, although we could not at this time order a remodeled three-point plan to order at the earliest possible time.

Motion by Jansen and seconded by Bond that the meeting be adjourned at 6:05 P.M. All Ayes.

## The Escape Route . . .

More and more taxpaying enterprises are expressing themselves through advertising and direct statements by their executives on questions which involve our future independence.

A recent advertisement of the Hyster Company of Portland, Oregon, is an example. It does not make a sales talk for its product but comments on conditions which affect the future of every private job, private activity, and representative government. It says in part: "A former Supreme Court Justice, Salmon P. Chase, has provided the best short description of the foundation of American government: 'The Constitution, in all its provisions, looks to an indestructible Union composed of indestructible States' . . .

"The federal government has gradually pre-empted the authority of the State in every walk of life . . . The result . . . is more and more dependence on 'benefits' from a benevolent government.

In 1932, 2,196,000 people received a monthly check from the federal government. Today, 40 million people are receiving monthly checks from the government.

"We owe more money than all the rest of the world combined, yet our budget increases in fantastic proportions—not for defense but for the insatiable demands of welfare state.

"Only Congress can save us . . . men who will force a return to the simple economic truths and moral standards that made us great."

## Who's Vanishing ?

The American Broadcasting Company's national network recently presented a program called "A Vanishing Breed: Portrait of a Country Editor". During the presentation the statement was made that "There are only 2,000 country newspapers left in America . . ."

The American Press magazine, taking exception to these figures, counted the newspapers listed in the latest edition of N. W. Ayer Directory of Periodicals and reports there are " . . . 9,319 non-daily newspapers in the 50 states. A breakdown of that list shows possibly 2,500 newspaper which might conceivably be classified as 'suburban' instead of 'country'.

"That still leaves 6,819 non-daily newspapers which, so far as we can determine, could fit nowhere except in the 'country newspaper' category." Also a majority of the 1,200 dailies published in towns of under 25,000 population would fit into the same classification.

The American Press observes that "Perhaps the TV boys were miffed because, as they reported, Landon Wills of Calhoun, Kentucky, who was picked as their example of 'the vanishing breed', doesn't believe in television and doesn't even have a TV set."

The capable and effective newspapermen who run this nation's country press are not vanishing. And since our freedom depends on a concerned and well informed citizenry, we can thank our stars that they are not. They provide written records of opinions and world events which remain for consideration and are not gone in the wink of an eye.

## Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVALANCHE OF 23 YEARS AGO

August 1, 1940

Today Alfred Hanson is celebrating the fifteen anniversary of his entry into business in Grayling. An interesting history of this building dates back to 1923. That year it was built by Hans R. Nelson and it was the first gas station on US-27. The original building was 20 x 40 feet, which was the size of the present show room. On August 1, 1923, Mr. Nelson sold out to Alfred Hanson, and when the new owner took it over, it had one hand-operated gas pump and one wood-fired boiler vulcanizer.

Earl Nelson and Russell Cripps were employed in the station. In 1926 Mr. Hanson found that he needed better vulcanizing equipment, so that year attended the Goodyear Tire & Rubber Company vulcanizing school at Akron, Ohio, and later installed all-electric vulcanizing equipment. During Mr. Hanson's absence Morgan Paige operated the station. This was the first year that business warranted the station to be kept open all winter. Miss Anna Peterson, now Mrs. Alfred Hanson, was the bookkeeper at this time and continued in that position until 1939. In 1927 battery building and repairing were taken up with the Buickwell Battery Company at Bay City and the Electric Garage at Alpena. In 1928 Mr. Hanson built an addition to the station and rented it to Frank Tetu, who was then Chevrolet dealer in this county. In 1929 Mr. Hanson was appointed Chevrolet dealer, in 1932 became dealer for Oldsmobiles and in 1938 was appointed the dealership of La Salle and Cadillac automobiles. With his business taking on such rapid strides he saw the need for more floor space and so in 1938 built an addition of 48 x 84 feet, so that the present building covers a space 58 x 158 feet. It was practically a new building as it was built of brick and the entire interior was remodeled and a fully equipped body shop was opened.

Of interest to friends in Grayling will be the marriage of Miss Loraine Kochanowski, daughter of Mrs. Glen Morgan of Cadillac, to Robert F. Olsen, also of Cadillac, on Wednesday afternoon, July 10. The ceremony took place on the flag court in the center of CCC Camp Axin, near Cadillac, where the groom is W. P. A. shop instructor. Mrs. Olsen is the granddaughter of Mrs. Katie Waldron of this city, and resided in Grayling with her mother at one time, attending Grayling schools until the family moved to Cadillac.

Little Sally Gross is celebrating her sixth birthday anniversary today and this afternoon a group of her little friends have been invited over to her house to spend the afternoon. A program of outdoor games has been planned by Sally's mother, Mrs. Clarence Gross, and of course, dainty refreshments will also be served.

Last Sunday at the home field the Mackinaw City Indians made it two straight victories over the local nine in a Northern Michigan League game, 10-4.

Mr. and Mrs. Jesse Schoonover and daughter Pauline attended a reunion of the Goodall family in Leeper Saturday.

Mr. and Mrs. Sigurd Johnson of Saginaw spent the weekend visiting the former's parents, Mr. and Mrs. Algot Johnson.

Mr. and Mrs. Charles Corwin Jr. were guests of honor at a miscellaneous shower Saturday evening at the Grange Hall. Some forty guests were present and the evening was spent playing buncos and pinocle. Mrs. Ernest Larson held high score for pinocle and Mrs. Oscar Schuelker low, and Miss Violet Brown held high score for buncos. Before refreshments of ice cream and cake were served, Mr. and Mrs. Corwin opened their many lovely gifts. Mr. and Mrs. Herbert Stephan were host and hostess of the shower.

Mrs. Amos Hunter and son Rex were in Traverse City Monday on business.

Marie Chagnon and Mary Heard of Detroit were guests of Ruth Strope Marlett at the Strope cottage at Lake Margrethe over the weekend.

Mrs. Walter Woodson and daughter Grace Matilda of Salisbury, N. C., arrived Saturday to spend the remainder of the summer visiting her mother Mrs. Henry Bauman and sister Miss Margrethe Bauman.

Mrs. Lapan Landsberg of Inkster visited at the home of her parents, Mr. and Mrs. David Montu Tuesday. She was accompanied by Miss Bonita DeLaMater who visited at the home of her parents, Mr. and Mrs. Ben Delator.

Emily Giegling returned Sunday from Hale, Michigan, where she had visited for a week after leaving Camp Maqua, where she had spent a month.

Miss Dorotthea Warner and Frankie Warner returned to their home at Black River after spending two weeks with their aunt and uncle, Mr. and Mrs. Edward Mayotte.

Mr. and Mrs. Stanley Taylor, and daughter Joyce Lee, Miss Marge Brown, Miss Lillian Hodge, Ralph Taylor and Lloyd Smith, all of Grand Ledge, were the guests of Mr. and Mrs. Carl Hanson over the weekend. They enjoyed the time down the river at the William Christenson cabin.

Mrs. Frank Ingerson and Mrs. Nora Weber spent Wednesday in Petoskey on business.

Mr. and Mrs. Wilfred Cohen of Detroit spent the weekend at the Walt cottage at Lake Margrethe.

A son tipping the scales to 9 pounds arrived at the home of Mr. and Mrs. David Cook, Monday, July 29.

Mr. and Mrs. Donald Babbitt of Chicago are enjoying a week's vacation visiting the former's mother, Mrs. Reuben Babbitt.

Mr. and Mrs. James Case of Bay City are enjoying a week's vacation visiting the former's brother Milo Case and family.

Five boys left Grayling early Monday morning for a boat trip down the AuSable that will take them as far as Oscoda. Making the trip are Donald Borchers, Ted and Ray Stephan and Douglas and Frederick Bloetger of Detroit, and they will be gone a week.

We have had a lot of commitments on our new office front. Small windows about 11 x 11 inches in size replace the six large windows and a new door of similar design replaces the old double doors. The windows and building are being painted white, making the structure of colonial design and

appearance. This type of office front is very popular in Los Angeles and other western cities. And we hope it will be so in Grayling. Mr. and Mrs. T. P. Peterson, Mr. and Mrs. Roy Milnes and Miss Ingeborg Hanson attended the Johns-Manville summer outing at the Traverse City Golf and Country Club Sunday. Mr. and Mrs. Milnes and T. P. Peterson carried home the honors for golf.

## New Disposal Plant "Open House" Soon

The City of Grayling will open the doors of its new plant next weekend, April 16th for the public to view. Citizens are urged by the city council to come out to see the plant which is located just west of the Graying Memorial Union Area football gridiron. The "Open House" will be both Saturday and Sunday, April 16th and 17th. On Monday night of last week the plant will be open to inspection from 8 p.m. to 11 p.m. and on Sunday from 9 a.m. to 5 p.m.

The plant with all its latest equipment is probably the most modern sewerage disposal plant in Michigan for the community. City Engineer S. Cliff and the members of the City Council are the great supporters of this great step forward in vital area of city operations with the citizens of Grayling more familiar with and its operation.
